

Come and stay at La Vergne and escape the hurly burly of 21st Century life.

At La Vergne you can rely on a warm, friendly welcome and you will find peace and tranquillity in a relaxed setting. The accommodation is simple, comfortable and well equipped.

Hilary, Andrew & their four daughters cordially invite you to stay on their family run dairy farm in the heart of the Charentaise countryside. The farm is situated within picturesque views of woodland and rolling meadows.

The Charente is rich in its visual treasures and history, which makes it excellent for budding artists. Around each bend there is always something new and interesting to be found. The unspoilt countryside, is abundant with wild flowers, it attracts numerous butterflies and many birds, which makes La

Vergne a great destination for keen bird watchers. The rural lanes are a haven of peace for walkers, hikers and cyclists. The lakes of "Haute-Charente" are a great place for kids of all ages.

La Vergne is a wonderful place to discover the mysteries of the night sky, being free from light pollution, it is a perfect site for you to explore the night's star-studded canopy.

The traditionally rural Poitou-Charentes region is internationally renowned for its fine quality foods and wines, especially Cognac and Pineau des Charentes. Other

d e l i c i o u s specialties can also either be bought from the local grower/producer or at the local markets. You can always be sure that in Charente it is the quality which counts.

La Vergne is situated in the department of Charente, between Angoulême, Poitiers and Limoges. The farm is about 5km from Champagne Mouton which has good local facilities and is only a 30 minute drive from Angoulême where the selection of shops and restaurants are superb. The area is well served by transport links, particularly the low cost airlines.
